

Cherry Snow-work

Work is set on Educationcity.com under the 'homework' tab.

Can you draw, collage or write about what you have learnt about the Christmas story.

Remember to keep practicing your keywords and phonics!

Don't forget to practice your story telling using your books from school. Can you design a front cover for a story book? It could be a story you have made up or one of your favourite stories. Think about a title and a picture for the cover.

Can you draw 4 different shapes in the snow?

Can you write your name in the snow?

Can you show me a number line in the snow?

Please send photos of your work to the website.
