

Mr Baker wonders how is snow formed? Why does it not fall as rain?

Who is the White Witch?

What does she do to the land she rules?

Draw her in all her glory.

Write down her powers.

If you were a snow magician describe your powers.

Have fun today!!

Snow day emergency work YEW

Temperatures in London and Rio De Janeiro

	London	Rio
9:00 am	-2°C	25°C
12:00pm	-1°C	28°C
3:00pm	1°C	30°C
6:00pm	-2°C	20°C
9:00pm	-4°C	15°C

Draw a graph to show these results. It could be a line graph or bar chart. Maybe you could try to draw a chart with the temperature readings above and below the x axis?

At what time was the temperature difference at its greatest between London and Rio?

PICTURE GALLERY

Some like to photograph it.
Some like to draw it.
Lets see what you can do!

How many snowballs did you make?
How many more snowballs than your mum or dad did you make?
Estimate how tall was your snowman?
What time did you go out in the snow?
When did you come back in?
How long were you out in the snow?
