

In DT you have designed your Anderson shelter. Well done.

Now make it. You have some corrugated card.

Tricky words:

**Distinguished, tyrant,
dictator, remarkable.**

Try and find out what they mean.

Maths:

Here are some numbers:

349, 3.49, 56, 7, 0.9

Show me how you could use them in a calculation. Round them to the nearest appropriate number.

Literacy:

You have a picture of Maple Street. On the blank side describe when and where this is. What is happening? What do you think is about to happen? Make the writing interesting. Think about some of the skills we have discovered in Guided Reading. Try to infer something (suggest it happening without actually stating it).

Music

Run Rabbit was a popular war song. Can you find any others?

Spellings:

Through, threw, necessary, complete, completion, shadow, disturb, disruption, expand, expansion.

MrBaker@bridlewood.swindon.sch.uk.

Smoking...

Design a poster to persuade smokers to give up.
