Writing

Show me that you know how to use **your** and **you're** accurately.

Show me you can use **of** and **off** accurately

Topic

It is October 1940 and you have been caught in an air raid. Write a diary entry telling me what happened to you. Where were you when the siren sounded? Where did you go? How did you feel? What was the street like when you came out of your shelter?

Think about sentence openers, descriptive word choices and careful punctuation!
