

## Reading

Write a **book review** of a book you have recently finished. The book should be a **fiction** text and **not** be one you have reviewed or written about for homework before.

Remember to tell the reader:

- **what type** of story it is (Adventure? Horror? Historical? Fantasy?)
- **what the story is about**
- to **explain what you like** (or dislike about it and **why**).

(You might like to illustrate your review too).

## Spelling

Practise your first **100 spelling words** ready for a spelling test the first week of next term!

## Birch Class Homework

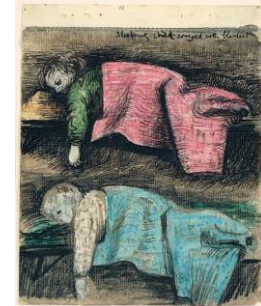

Due in:  
Wednesday 22<sup>nd</sup>  
February

## Numeracy

We have started learning about the **Grid Method** for multiplying numbers. Show me that you can use this to multiply a range of different **TU x U**. (I will be impressed if you try TU x TU too!).

## Topic/Art

What can you find out about the **work** of the artist **Henry Moore**? What images of his **artwork** about **WW2** can you find?

Show me what you have found out. (You might like to try sketching some of Henry Moore's sculptures or drawings).
