

# The Chase

We are just leaving London  
Quick, Quick, Quick  
We can't afford to stop  
The Train is going faster  
Hello tree, hello station  
Whizzing through the countryside  
Zoom, zoom, zoom  
Flash, flash, flash  
Train overloading, going too fast  
Faster than a speeding bullet  
Now you see me, now you don't  
Slower, Slower, Slower  
Going to stop  
Stopping, Stopping, Stopping  
Stopped  
We have arrived at Brighton...
