

# London to Brighton in 4 minutes

All aboard  
The train to Brighton  
Are you bored?  
Well you gotta bite 'em

Fast, fast, fast  
Nonstop all the way  
Quick, quick, quick

Are you ready?  
For the trip of your life?  
From London to Brighton  
At the speed of light.

Fast, fast, fast  
Nonstop all the way  
Quick, quick, quick

The trees are zooming past  
Whilst the children are feeling sick  
Were nearly there at last

Now the trip is over  
Make sure you don't fall over  
We really hoped it was fun  
Because we will give you a free bun
