1/ Photo & Badges

Badges given out. Photo to be taken later in the week with a suitable device.

2/ School council jobs for the year e.g. interviews for any new staff, views on new behaviour policy, talking to external visitors.

They really like the new policy. Good to have clear colour codes and they were all aware of them and what each colour means. They could share some of the jobs that they have seen previous school council get involved in.

3/ Ideas to be collected from classes for next meeting for school improvements they want to see.

They all agreed to collect ideas and write them down for the next meeting. We also collected some ideas of some improvements they might like:

-Art club

-Maths club

-More football
