A place for learning, caring, sharing and growing together.

Tuesday 28th April 2026

Dear Parents and Carers (Y2 and above),

We are pleased to invite you to a special **Computing Morning** at our school on **Friday 8th May, from 9:00–10:30am.**

This event is a great opportunity to learn more about how we teach computing and support children in using technology safely and effectively.

The morning will include:

- **An Online Safety Session (1 hour)** led by our Community Police Officers, offering practical advice and guidance on keeping children safe online.
- **A Classroom Visit (30 minutes)** where you will join your child's class to see how technology is used in our computing lessons and experience some of the activities pupils take part in.

We hope this session will provide valuable insights and help strengthen the partnership between home and school in supporting children's digital learning.

If you would like to attend, please confirm your place by contacting your child's class teacher or signing up via the sign-up sheets on the class doors.

We look forward to welcoming you.

Kind regards.

Mr Hilliker
