A place for learning, caring, sharing and growing together.

Friday 27th February 2026

Dear Parents and Carers,

Engineering Club – Years 2 and 3

Following its success last year, we're delighted to be re-running our Engineering Club for children in Years 2 and 3 during Term 5, led by Mrs Watts and Miss Briggs. The club will begin on **Thursday 16th April** and will run for approximately **five weeks**. Please note that **there will be no session on Thursday 7th May** due to an INSET day.

Throughout the club, the children will learn how to build a model, which they will bring home at the end of the five sessions.

With space limited to just **15 children**, spots will be allocated on a first-come, first-served basis. To ensure everyone gets a turn, priority will be given to pupils who didn't attend the club last year.

Club Details

Time: 3.15pm – 4.15pm
Dates: Thursday 16th April
Thursday 23rd April
Thursday 30th April
Thursday 14th May
Thursday 21st May

To secure a place, please sign your child up via **ParentPay**. Once all places have been filled, the option will no longer be available. We kindly ask that you only sign your child up if they are able to attend all sessions.

If you have any questions, please speak to your child's class teacher.

Kind regards.

Mrs Watts and Miss Briggs
