A place for learning, caring, sharing and growing together.

Friday 9th January 2026

Dear Parents/Carers,

We are delighted to invite you into school for a special opportunity to learn more about how we teach maths at Bridlewood and to see your child's learning in action.

Date: Thursday 5th February 2026

Time: 9:00am- 9:15am – in the school hall for a welcome and introduction and 9:15- 10:00 – in your child's classroom to see maths in action. If you have more than one child, you are invited to share your time between the classrooms.

During the session, you will:

- Gain insight into our approach to teaching maths.
- Discover practical ways to support your child's learning at home.
- Visit your child's maths lesson and experience their classroom environment.

This is a great chance to celebrate your child's progress and strengthen the partnership between home and school. Please confirm your attendance by emailing your child's class teacher or alternatively, there is a sign-up sheet at the outside entrance to your child's classroom. We kindly ask that younger siblings do not attend this event. We look forward to welcoming you and sharing the exciting world of maths with you!
