A place for learning, caring, sharing and growing together.

8th September 2026

Dear Parents and Carers,

We would like to inform you that this year, after a successful trial with year 5, we will no longer be using Microsoft Teams for homework assignments in Key Stage 2. Instead, we will be using **ClassDojo** as our main platform for **sharing homework, class updates, and important information**.

ClassDojo is a user-friendly platform that makes it easy for parents and children to stay connected with classroom learning. You should receive your child's username and password shortly, if you have not already done so.

Please note that class meetings taking place this week will still be held via Microsoft Teams. You have been sent the Teams meeting link directly for these sessions. **These meetings are not accessed through your child's old Teams account.** Simply click on the link you've received to join the meeting at the appropriate time and date.

If you have any questions or experience any difficulties accessing ClassDojo, or accessing the Class meetings this week, please do not hesitate to get in touch.

Thank you for your continued support.

Kind regards.

Vicky Sammon
