A place for learning, caring, sharing and growing together.

21st January 2026

Dear Parents/Carers

Bikeability Course March 2026

We are pleased to offer FREE Bikeability Level 2 on-road training for our Year 5's in 2026.

We have booked training in **Term 4, March 2026**, with our local provider, Life Cycle. Level 2 is on-road training giving children the skills and confidence to ride independently. The training takes place on roads local to the school, with qualified instructors, and children will be riding on the road with other traffic, therefore they must be able to cycle already, it is **not** a beginners course.

Each child needs a **roadworthy cycle**, with front and rear working brakes and tyres fully pumped up, to take part in the training, and a helmet.

Places are limited so if you wish your child to take part in this training, please complete your consent online via the link / QR code below. Please do this as soon as possible to allow us to confirm the training dates with Life Cycle.

Once you have submitted your consent you will receive helpful information by email about Bikeability training and how to prepare your child, how to fit their helmet and to ensure their cycle is roadworthy. We will let you know nearer the time what days your child's training will take place.
