RE: Korean Educators - School Visit 19th January 2026

Dear Parents/Carers,

After the successful visits last year, we are delighted to be welcoming a delegation of approximately 25 South Korean teachers and school leaders to our school on Monday 19th January during the morning. They will be visiting all the schools within our Trust over the month of January to learn more about the British education system.

They are particularly interested in digital education within our curriculum and how AI and technology is used as a tool within education so we will be showcasing a variety of lessons, presentations and activities during the visit. Some of our children will be welcoming the visitors and singing for the delegation or will be visited during lessons.

This is a wonderful opportunity to showcase our school and I hope you will support your children in welcoming our visitors next week!

Kind regards.

Vicky Sammon

Headteacher
