A place for learning, caring, sharing and growing together.

Dear Parents and Carers,

Thank you to everyone who recently took the time to complete our Wraparound Care survey. Your feedback is extremely valuable in helping us review and shape the provision we offer at Bridlewood Primary School.

As part of the survey, we asked whether there was a need for our After School Club to remain open later than the current 5:30pm finish. We received 37 responses from families, and the results showed that only a very small proportion of the school community would require a 6:00pm collection time. When scaled across the whole school, this represented approximately 5% of families, which is significantly below the level needed to run an extended session sustainably. Many of those who selected 6:00pm also shared that they already use other childcare providers for reasons unrelated to Bridlewood's finish time.

Based on this limited level of demand, we will continue to offer our After School Club until 5:30pm.

This ensures that we can maintain a high-quality, well-staffed and financially sustainable provision for all families who use it.

We will continue to monitor parent needs through future surveys and remain committed to providing a wraparound care offer that best supports our school community.

If you have any questions or would like to discuss your childcare needs further, please do not hesitate to contact us.

Thank you for your ongoing support.
