OUR PLAYGROUND CHARTER

PLAY • EXPLORE • CREATE • INCLUDE • HAVE FUN

At Bridlewood, we believe that every child has the right to play, have fun and enjoy our playground.

WE CHOOSE

We choose what we want to play and enjoy different kinds of play — active, calm, noisy, quiet, creative or adventurous.

WE INCLUDE

We are kind and friendly. We let others join in, listen to each other and help people who need support.

WE SHARE

We share equipment fairly and kindly. We take care of everything we use.

WE EXPLORE

We move around different areas, enjoy nature, explore and use our imagination.

WE CHALLENGE OURSELVES

We can try new things and take sensible risks. We think about safety and make sensible choices.

WE CARE

We treat people how we would like to be treated. We are kind, respectful and caring.

WE SORT IT OUT

We try to solve problems calmly. If we need help, we ask a grown-up.

WE LISTEN

We listen to children and adults and respect what others say.

WE PLAY SAFELY

We follow playground expectations and help to keep everyone safe.

OUR PLAY PROMISE

We have the right to play. We also have a responsibility to make sure everyone can enjoy playtime.

BE KIND • BE BRAVE • BE INCLUSIVE • BE SAFE
