Whole School Priorities 2026 - 27

We have ambitious targets in order to continuously improve.
Our main school development priorities for this academic year:

Priority 1

Raise standards in English across the school
(with a sharp focus on improving pupils' handwriting)

Priority 2

Use assessment information consistently and effectively to address misconceptions and help pupils apply prior knowledge to new learning (T&L principles' focus: Effective Feedback & Making it Stick)

Priority 3

Further develop inclusive strategies across the school and embed the support and opportunities for vulnerable learners to thrive.

The full School Development Plan for 2026-27 will be available on the school website shortly.

Behaviour:

Bridlewood Core Values

Responsibility
Respect
Honesty

Park Academies Trust Values:

Courage
Respect
Integrity
Ambition

Children and parents are expected to conduct themselves in a manner fitting to these values

- Smile, verbal praise ('well done'), thumbs-up.
- Stickers and team points.
- Star of the day.
- Positive feedback to parents.
- Eating with the headteacher at the 'top table' for positive lunchtime behaviour.
- Weekly celebration assembly certificates and awards.
- Termly behaviour awards: Bronze, silver, gold and platinum star award badges given to pupils who consistently demonstrate our school values.

The Zones of Regulation

- We use the Zones of Regulation as the first approach in preventing and addressing unwanted behaviours or dysregulated emotions.
- We recognise that self-reflection is the key to ensuring poor behaviour is addressed in the most appropriate way.
- The Zones of Regulation provide an easy way to think and talk about how children feel on the inside and sorts emotions into four coloured Zones.

Blue Zone Sad Bored Tired Sick	Green Zone Happy Focused Calm Proud	Yellow Zone Worried Frustrated Silly Excited	Red Zone overjoyed/Elated Panicked Angry Terrified

SANCTIONS

Adults **notice** the dysregulated behaviour, help the pupil label their emotion/zone they are in and provide opportunities for them to calm down and regulate.

If the unwanted behaviour continues, the pupil will receive a **reminder** from the class teacher/adult. The pupil is encouraged to use Zones of Regulation strategies to manage their emotion.

If the unwanted behaviour continues the pupil will receive a reminder that unless they regulate their behaviour, they will spend some time during the next playtime to reflect on their choices. Adults will **direct** the pupil to use the Zones of Regulation strategies to help them regulate their behaviour and pupils are **offered a brain break** in the nurture room or snug or to go to another classroom to continue their learning.

Step 4- If the pupil is unable to regulate their behaviour they will be directed to have a **restorative conversation** with a member of senior staff during the **next playtime** to reflect on their behaviour choices. Parents/carers are informed at the end of the day.

Step 5- If the unwanted behaviour continues, the pupil and class teacher meet with the SENDCo or Headteacher and parent and a **behaviour target is agreed**. The pupil's behaviour is then **monitored** for a number of days. The class teacher gives feedback to the pupil and the parent/carer on whether or not they have met their behaviour target.
